

## Learner Enquiry

Learners Enquire and Apply Online at [www.1impact-group.co.uk](http://www.1impact-group.co.uk) answering all questions including those around their Football Academy Requirements & Educational needs.

All supporting Documents requested during this process are uploaded and emailed to us in support of the application. The application will not be assessed until all supporting papers are with us.

## FREE SKYPE Interview (1 Hour)

We review the application forms & Financial details to confirm funds are in place to meet UKVI rules.  
A Skype Interview is held with the Student to review the Application

For under 18's we need a Parents consent letter for foster carer and UK address details, We contact the local authority for foster care arrangements : name of person responsible & accommodation details.

## Visa Vetting - Fee £600 Payable in Advance

Full Due diligence takes place on the Learner Application including a detailed Financial Assessment to assess affordability and the whether the learner can support themselves whilst in the U.K. If required additional Financials including the Parents bank statements & employment details, Employer Reference & Salary confirmation will be asked for. An application will not proceed if the case isn't strong enough in our opinion.

## Study Offer Letter - Fee £3000 Payable in Advance

Subject to our approval we then Provide the Acceptance letter onto the Education Course confirming course dates, accommodation details and monies paid. Innolearn provide guidance on how to apply for Visa and then issue a Position Statement to support the Full Application. The Learner pays the Full Fee in order for the Acceptance Letter to be sent (£1250 is Non refundable in the event of a UKVI Decline)

## Full Visa Application

The Student uses the Acceptance Letter and additional Information provided to undertake the Full Visa online application with UKVI. The learner books a local interview with an immigration case worker.

We hold a detailed Skype call with the students to prepare them for the interview and the type of questions they will be asked relating to the Education programme and their proposed trip to the UK.

## Visa Outcome

The student is advised usually within 14 days of the outcome of their Visa application and is issued with the Acceptance / Decline Letter. Once the position is confirmed We advise the Football Academy to contact the student to agree a start date and the student arranges the flights. The Academy arrange for Airport pick up and Accomadation upon arrival. We will then enrol the student onto the course of study

## Arrival in the UK Academy

The student arrives at the Academy and begins the learning/ sports programme. We visit the student after arrival for paperwork signing. At the meeting any additional support is established relating to the education programme or ongoing professional mentoring. The student is visited regularly throughout to ensure Welfare requirements are met & UKVI rules relating to the study.

The Learner leaves the Uk at the end of the Study Visa
